

ROGER C. DOW, D.M.D., P.C.

Dear Patients and Families,

It is with mixed emotions that I would like to share that after 34 years of practicing dentistry I will be retiring June 30, 2024. It has been my honor and privilege to provide dental care for the children of the Salem area.

I would like to thank the families that entrusted me with the care of their children. It was a responsibility that I never took lightly. I would like to thank the dental community of Salem for supporting me. Your help was always appreciated. I would especially like to thank the staff that was with me throughout the years. You were invaluable and I could not have done it without you. To all those, my deepest heartfelt thank you.

Many of you have noticed some changes in the office over the last few months. I am pleased to inform you that Dr. Tricia Ray has taken over my practice and will continue to provide excellent care for our patients and your children. Dr Ray, along with her associate Dr Chao, will continue and expand the dental care for your children and the new patients that come to the practice. It will be an exciting time for everyone to be a part of.

Once again, thank you to everyone who has been part of this incredible journey these many years.

Sincerely,

Roger C Dow, DMD
